

# Summer Reading Choice Board

Name: \_\_\_\_\_

We are so excited for you to join us after Summer Vacation! We are hoping that you will read at LEAST one book each week to get yourself Kindergarten Ready!

Each week, please complete any square on the board and have someone help write the answer to the question. Then, bring this paper to our August Meet the Teacher and trade it in for a prize to reward your hard work! You can use the back of this page to list additional books you read as well.

Happy Summer Reading! We can't wait to see you! From Your Kindergarten Teachers
